Exclude staff, performers and attendees who are unwell from the event.

Agree

Prior to participating in or attending any Softball activity, we have advised all players, umpires, scorers, team management, parents/carers, and other Association/Club members they must not attend training or games, if in the past 14 days if they have:

- been unwell or had any flu-like symptoms, or
- been in contact with a known or suspected case of COVID-19, or
- any sudden loss of smell or loss of taste, or
- are at a high risk from a health perspective, including the elderly and those with pre-existing medical health conditions.

We have advised that they should check the NSW Government website for advice regarding the full list of symptoms associated with COVID-19 infection:

<https://www.nsw.gov.au/covid-19/symptoms-and-testing>

Provide staff with information and training on COVID-19, including COVID-19 vaccination, when to get tested, physical distancing, wearing masks, and cleaning.

Agree

We have worked with Softball NSW to promote and encourage the use of the following resources and websites in order to obtain accurate information:

- Australian Government Department of Health: <https://www.health.gov.au/news/healthalerts/novel-coronavirus-2019-ncov-health-alert>
- NSW Government Department of Health:
<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/default.aspx>
- World Health Organisation: <https://www.who.int/>
- Australian Institute of Sport: <https://ais.gov.au/health-wellbeing/covid-19>
- Sport Australia: <https://www.sportaus.gov.au/>

Display conditions of entry including requirements to stay away if unwell, COVID-19 vaccination and record keeping.

Agree

We display signage, posters, distribute and “share” information about COVID-19 across our social media platforms, regular community updates and at appropriate locations around the Abbott Rd Softball Grounds and its facilities.

In conjunction with our state governing body, Softball NSW, we have developed and promoted amongst our members and stakeholders, a range of resources on COVID-19. These are downloaded here: <https://nsw.softball.org.au/covid-resources/>

Take reasonable steps to ensure all people aged 16 and over on the premises are fully vaccinated or have a medical exemption (including staff, attendees and contractors). For example, ensure posters outlining vaccination requirements are clearly visible, train staff on ways to check proof of COVID-19 vaccination status, remind customers of vaccination requirements in marketing materials. Guidance for businesses is available at: <https://www.nsw.gov.au/covid-19/businesses-andemployment/covid-safe-business/vaccination-compliance-for-businesses>

Note: Staff outside of Greater Sydney who have received one dose of a COVID-19 vaccine are permitted to work until 1 November 2021 when they need to be fully vaccinated.

Agree

Manly Warringah Softball Association will ensure information outlining vaccination requirements are clearly visible. As per Government advice, all persons wishing to enter the venue will need to provide evidence of vaccination. Entries to the venue will be adequately supported and persons trained on ways to check proof of vaccination status.

Physical distancing

Capacity for a controlled outdoor event must not exceed the lesser of 1 person per 2 square metres of space of the premises in which the activity is conducted, or 200 persons.

Capacity at a COVID-19 safe outdoor gathering must not exceed the lesser of 1 person per 2 square metres of space of the premises in which the activity is conducted, or 50 persons.

Agree

We have reviewed and considered the number of participants and games at the grounds to minimise the number of attendees at any one time.

Where possible, we have marked seats with signage/masking tape to indicate appropriate distancing and maximum numbers.

Where team dugout additional seating is made up of moveable chairs, we will position

them, so they are at least 1.5 meters apart. Further, we will place signage in technical areas promoting social distancing and reposition the chairs at the required distance between games.

Ensure 1.5m physical distancing where possible, including:

- **at points of mixing or queuing**
- **between seated groups**
- **between staff.**

Avoid congestion of people in specific areas where possible.

Agree

Ensure reasonable steps are being taken to reduce congestion. Where possible use signage to promote social distancing and the use of a COVID Safety Officer in attendance.

Have strategies in place to manage gatherings that may occur immediately outside the premises and in any designated smoking areas.

Agree

We will stagger arrival and/or departure times where possible for different groups and teams, and within the constraints of the grounds, manage entry and exit points to allow a flow of players/coaching staff and parents/attendees through the facility to limit the risk of overlap and congestion.

Singing and dancing by audiences is not allowed in indoor areas. Patrons can only consume alcohol when seated in indoor areas.

Agree

We will continue to advise our community through social media about minimising high risk activities such as singing in groups or chanting/cheering. Manly Warringah Softball officials will be attending games and will monitor these activities.

No alcohol will be permitted in any outdoor setting as per Government advice

Where practical: encourage private transport options to minimise crowding on public transport coordinate with public transport to minimise COVID-19 risks associated with transportation to and from the venue if crowding may occur.

Agree

We will continue to advise our community through social media about minimising high risk activities such as carpooling with people from different household groups.

Ventilation

Review the 'COVID-19 guidance on ventilation' available at <https://www.nsw.gov.au/covid-19/getting-back-to-work-a-covid-safeway/ventilation-guidance> and consider which measures are relevant to your premises before completing this COVID-19 Safety Plan.

Agree

We have reviewed the "Covid-19 guidance on ventilation" and will adopt measures as per the advice, where applicable.

Use outdoor settings wherever possible.

Agree

Where possible, outdoor settings will be used in favour of indoor events.

In indoor areas, increase natural ventilation by opening windows and doors where possible.

Agree

When indoors, all measures will be taken to increase natural ventilation. This will be done by:

- Opening doors and windows
- Using a larger indoor space

In indoor areas, increase mechanical ventilation where possible by optimizing air conditioning or other system settings (such as by maximizing the intake of outside air and reducing or avoiding recirculation of air).

Agree

Where applicable, make use of all natural and mechanical ventilation

Ensure mechanical ventilation systems are regularly maintained to optimize performance (for example through regular filter cleaning or filter changes).

Agree

Ensure regular maintenance on all mechanical ventilation systems

Consider consulting relevant experts such as building owners or facility managers, ventilation engineers and industrial or occupational hygienists to optimise indoor ventilation.

Agree

Have regular consultation with key stakeholders and/or experts to ensure regular upkeep of ventilation systems is occurring

Hygiene and cleaning

Face masks must be worn by staff and customers in indoor areas, unless exempt.

Agree

When indoors, members will be required to wear face masks, unless an exemption can be provided.

Adopt good hand hygiene practices. Have hand sanitiser at key points around the venue.

Agree

- Ensure that all Teams will sanitise their own space at the facility, inclusive of dugout and entry/exit gates. This will occur prior and after their allocated game/training.
- Ensure all teams follow the Ball & Equipment Hygiene protocols as per the Softball NSW Training, Game Hygiene & Ball Sanitation Protocols;
- Promote and provide hand washing guidance to all participants and volunteers;
- Promote regular and thorough hand washing by volunteers and participants;
- Provide sanitising hand rub within the facility and refill regularly;
- We will check soap in toilets regularly to ensure that OCC maintains supply
- Place bins around the facility

Sanitiser will be made available across the facility and ensure it is regularly utilised and refilled.

We will encourage players, officials, volunteers, and/or their parents/carers to always carry personal hand sanitiser to enable good personal hygiene.

Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers.

Agree

We will:

- Refill soap in toilets regularly.
- Refill paper towel dispensers in toilets when required.
- Place bins around the facility.

We will promote and provide hand washing guidance to all participants and volunteers

and display hand washing guidance in all toilets, changerooms and canteens within our facility. We will work with facility staff to ensure the Handwashing signage and soap is available.

Clean frequently used indoor hard surface areas (including children’s play areas) at least daily with detergent/disinfectant. Clean frequently touched areas and surfaces several times per day.

Agree

We will wipe down key spaces, surfaces and objects (such as benches, door handles, team dugouts, keys etc) regularly, or more frequently as required.

Record keeping

Use the NSW Government QR code system to collect an electronic record of the name, contact number and entry time for all staff, attendees and contractors.

Agree

We have encouraged all participants to download the Services NSW COVIDSafe App. The Service NSW QR Code based logging system, with QR codes placed in all diamonds and facilities.

All members wishing to enter the venue will be required to check in

Processes must be in place to ensure that people provide the required contact information, such as by checking phones for the green tick to confirm they have checked in (keeping 1.5m physical distance between staff and patrons). QR codes should be clearly visible and accessible including at entrances to the event.

Agree

Volunteers will confirm check in and complete a vaccination check.

If a person is unable to provide contact details, for example due to age or language barriers, another person may provide contact details on their behalf. If it is not possible for check-in to occur, keep a record of the name, contact number and entry time for all staff, attendees and contractors for a period of at least 28 days. These records must be provided in an electronic format such as a spreadsheet as soon as possible, but within 4 hours, upon request from an authorised officer.

Agree

Where applicable, step will be taken to ensure the relevant data is collected and provided authorised officers when requested.

Other types of venues or facilities at the event must complete COVID-19 Safety Plans where applicable. If contact details are captured electronically upon entry to the

event on the relevant day, additional collection of contact details via electronic methods may not be required if there is no other public access to the sub-premises. However, additional contact details and time of entry must be captured if the event has sub-premises that are gyms, entertainment facilities, hospitality venues, nightclubs and retail premises.

Agree

Where applicable, step will be taken to ensure the relevant data is collected and provided authorised officers when requested.

I agree to keep a copy of this COVID-19 Safety Plan at the business premises
